The Ridges in Summerlin is absolutely one of the most desirable, guard-gated, golf-course communities in the Desert Southwest. Deep in the heart of this enclave, beyond two guard-gated primary entrances and past an interior gate at the entrance of Falcon Ridge, you'll find 61 Meadowhawk Lane. This is a home designed for family and relaxed entertaining ... at evening's end, the second level provides a perfect retreat and sweeping views for each member of the family, content to be home.
